Positive Indian Parenting Training

All day Parenting Class

December 20, 2024

Ramkota Inn, Rapid City SD

The Positive Indian Parenting curriculum goal is to help Indian Parents explore the values and attitudes expressed in traditional Indian child rearing practices and then apply those values to modern parenting skills. This includes oral tradition, storytelling, the spiritual nature of child rearing and the role of extended family. Another goal is to help parents develop positive and satisfying attitudes, values and skills that have roots in their cultural heritage. Promoting the growth and wellbeing of the Indian child through Positive Indian Parenting.
